

**“CAN YOU DIG IT?©”
CAMP RULES**

1. Respect all instructors and other participants – this includes listening when others are speaking and obeying instruction.
2. Participants must attend all workshops before they are allowed to take part in the excavation days.
3. Participants must arrive promptly each morning ready to start the workshops at 9 am. All workshops will be finished by 4pm.
4. Respect and be responsible with all property that is loaned to you and others.
5. Participants must help in cleaning up, especially on excavation days.
6. Any participant who is disruptive or does not follow the camp rules will be immediately removed from the workshop.
7. The participant will replace any equipment broken intentionally or its monetary value repaid.
8. Participants will not leave camp location without written permission from parent/guardian.
