

CATARAQUI ARCHAEOLOGICAL
RESEARCH FOUNDATION
611 PRINCESS STREET
613.542.3483

NAME: _____
AGE: _____
PHONE #: _____

Drop off your finished colouring page by 12:00 P.M. on Friday June, 15 to be entered into the contest. Prizes awarded for age groups 3-7 and 8-13.

The archaeologists are recording the stratigraphy in a soil profile. Stratigraphy is the study of the layers of the earth. Each layer has its own colour and texture and its own story to tell about what happened at the site. Lower layers are usually older than the ones above.
